

## Attention

### Residents serviced by the Haileybury and North Cobalt municipal drinking water distribution system

Public Works staff of the City of Temiskaming Shores with The Ontario Clean Water Agency will be conducting additional upgrades to the drinking water distribution system at the Niven Street Reservoir in Haileybury. A complete shutdown of the system will be required.

To mitigate water service disruption, the water shutdown will commence at 10 pm on Tuesday, July 17<sup>th</sup>, 2018 until the early hours of Wednesday July 18<sup>th</sup>, 2018.

Due to the nature of the required upgrades a Boil Water Advisory **will** be issued by the Timiskaming Health Unit once water service is restored.

To stay informed throughout this advisory, please visit the City of Temiskaming Shores Facebook page or call 705-672-2472. Information can also be found on the Timiskaming Health Unit's Facebook page or by listening to CJTT radio.
