

SCWW /MCD  
July/Juillet 2020

July 7, 2020

2:00-3:00 p.m.

Protect Your Money is a free, public service presentation, which is approx., 45 minutes and covers:

- Common types of fraud (including COVID-19 related frauds) and warning signs of fraud
- What questions to ask a financial representative
- Where to find unbiased financial information

The Ontario Securities Commission (OSC) is a crown corporation that is responsible for regulating the capital markets in Ontario. Through our outreach program, we collaborate with community associations and organizations to help people, in particular seniors and newcomers, to make more informed financial decisions.
