

Enhanced Vaccine Certificates with QR Codes

Beginning January 4, 2022, Ontarians will be required to use their enhanced vaccine certificate with official QR code. Vaccine receipts without a QR code will no longer be accepted as valid proof of vaccination.

Your proof of vaccination is your enhanced vaccine certificate with an official QR code, sometimes called a vaccine record.

You are considered fully vaccinated if you have received:

- the full series of a COVID-19 vaccine authorized by Health Canada, or any combination of such vaccines (two doses of Moderna, Pfizer-BioNTech, AstraZeneca, including COVISHIELD) in any combination or one dose of Janssen (Johnson & Johnson)
- your final dose of the COVID-19 vaccine at least 14 days before providing the proof of being fully vaccinated.

Step 1: get your vaccine certificate with QR code

Online

You can download your enhanced vaccine certificate from Ontario's vaccination portal: covid19.ontariohealth.ca. To log in securely, you need:

- a **green photo health (OHIP) card** (you will need numbers from both the front and back of the card, expired cards will be accepted)
- your date of birth
- your postal code (the one associated with your health card)

By phone

If you do not have a computer, a photo health card, or need help, call the Provincial Vaccine Contact Centre at [1-833-943-3900](tel:1-833-943-3900) to request a copy of your vaccine certificate by email or mail.

If you don't have a computer, you can also:

- visit your local library to use a public computer and internet resources
- ask a trusted friend or organization to help print a copy
- access a Service Ontario location

Step 2: save or print

After you've logged in, you can:

- save a digital copy of your receipt to your device
- save a screenshot to your device
- print a paper copy

You can save the electronic version of your enhanced vaccine certificate with a QR code to your phone or print a paper copy. Businesses must accept both electronic and paper versions.

You will need to continue to show a piece of identification with your name and date of birth along with your proof of vaccination when visiting select businesses and organizations.
